

Carlisle Diocese Foundation Safeguarding Training and Parish Safeguarding Coordinators Briefings September 2015 to March 2016

The **Foundation Safeguarding Training** is an introduction to Safeguarding in the church. It is open to everyone and is essential training for the following groups

- All Clergy (Rectors, Vicars, Priest-in-Charge, Curates, NSM, PTO),
- Parish Safeguarding Co-ordinators.
- All volunteers and paid staff who work with children and vulnerable adults
- All Lay Readers and Local Lay Ministers

This is an exciting training developed by the NSPCC which will have plenty of opportunities for discussion and practical case examples.

This is also an essential initial training for those who need to progress to complete the Full Leaders Training module. Please see the Leadership training document for further details.

Safeguarding Coordinators Briefings

Robert Parks our Safeguarding Adviser provides a briefing session to explain the specific responsibilities of the role and to answer any specific queries you may have. This replaces the leaders training as the essential training module for Parish Safeguarding Coordinators. Parish Safeguarding Coordinators are welcome to attend the leaders training to extend their understanding of Safeguarding but the briefing will become the essential training which all coordinators must attend.

This will be a two hour session between 2.0 and 4.0 pm after the Foundation Training on a Saturday. New Safeguarding Coordinators will therefore be able to attend a Foundation Training in the morning and the briefing in the afternoon. The dates for September 2014 to May 2015 are listed below. Rather than wait for the event to come to your area you are welcome to attend the first available briefing anywhere.

How to book a place

We have introduced a booking process to make sure we know how many people plan to attend, make sure we don't have too many people at a particular venue and can contact you direct if for any reason the training is cancelled.

In order to book please ring Ron Sharpe on 01228 522573 or email him on ron.sharpe@carlisle-diocese.org.uk giving your name, role, parish, phone number and email address if you have one. He will confirm a place has been booked for you.

The full training programme is listed below.
